

Agilent wants to help
restore America's Gulf Coast.
Here's how you can help.

Each dollar donated to
the Gulf Coast Restoration
Fund will help to:

- Clean water and soil
- Restore natural habitats
- Safeguard endangered fish and wildlife

Agilent will make a donation to
the Gulf Coast Restoration Fund for
each Agilent J&W GC column you buy

America's Gulf Coast suffered a disastrous blow this summer due to the oil spill. Many of us see the effects of this spill every day as we test for food and environmental safety. That's why Agilent is supporting the effort to clean up the spill and repair the environmental damage left in its wake.

How can you help? **Each time you purchase an Agilent J&W GC column between December 1, 2010 and May 31, 2011, Agilent will make a donation to the Gulf Coast Restoration Fund.**

Help Agilent make a difference

With every Agilent J&W GC column you purchase, Agilent will make a donation to the Gulf Coast Restoration Fund.

Help Agilent support efforts to restore the Gulf Coast

Agilent J&W GC columns — the right choice for your environmental needs

At Agilent we build our GC columns to higher quality standards so that they perform better than any other columns on the market. Count on Agilent J&W GC columns to provide the:

- Lowest bleed levels
- Best inertness
- Tightest column-to-column reproducibility

Protect nature and preserve life...

Each time you purchase an Agilent J&W GC column, you'll be helping to protect a five-state region that's one of our country's most important natural resources. Your donation will help clean up 50 million gallons of oil that has damaged hundreds of miles of coast, besmirched beaches, choked marshes and contaminated sediments.

Visit www.agilent.com/chem/gulfcoasthelp or contact your Agilent Representative today.

For every Agilent J&W column purchased in the U.S. and Canada from 12/1/2010 through 5/31/2011, Agilent will make a donation to the Gulf Coast Restoration Fund. Agilent guarantees a donation of \$15,000.
